To whom it may concern:

Baker & McKenzie appointed Sunbury Heights in 2008 to oversee fit-out works consisting of approximately 3750 m2 of existing office space in Sadovaya Plaza. Baker & McKenzie would like to thank Mark Smith, Project Manager and Ilya Mavrin, Project Assistant for their professionalism in coordinating and supervising the work of the various sub-contractors responsible for completing this project. Ilya Mavrin was very responsive, making himself available at all hours to respond to our concerns and kept communication flowing between the various parties. Mark Smith, who knows the construction market in Moscow as well as anybody, was instrumental in our dealing with the troublesome issues that arose over the course of the project. We would be happy to work with Sunbury Heights PM as project, cost control and quality managers for future projects.

Best Regards,

Laird Cenotto,
CIS Chief Operating Officer
