To Whom It May Concern:

Sunbury Heights provided project management services for the full refurbishment and fit-out project of Bank of Cyprus new offices in Moscow, covering cost control, time planning, specifications, contract documents, tender procedure, site supervision, payments, handover, etc

Throughout the project Sunbury Heights did excellent and professional job. Their contribution in achieving the construction targets in respect of time, cost and quality was invaluable.

All team members were skilled, experienced, and familiar with local market conditions.

Argyris Nicolaides
