

To General Manager of
Sunbury Heights Construction Management LLC
Sergey Boroditsky

Dear Mr. Boroditsky!

Sunbury Heights Construction Management fulfilled fit-out of the new office for the Moscow Representation of Geberit International Sales AG (Switzerland) in autumn 2008. The scope of works included architectural and engineering working design, approvals and all stages of interior fit-out. The works also included the installation of ventilation and air conditioning systems, power supply and lighting, structured cabling system, water supply and sewerage.

This is to express our gratitude for the quality of the fulfilled works, prompt reactions to our inquiries and requests, objectivity and impartiality in the choice of suppliers and affirmative approach to task fulfillment.

We hope that you will remain our reliable partner and will gladly recommend your Company.

We wish you further success and prosperity.
